Getting around Turku

Local Buses

Local bus connections are an efficient and economical way to get to the university area. The local bus network covers also the Turku airport, harbor, railway station and bus station with frequent connections.

A single bus ticket costs 3€ and is valid for transfers on all local buses for up to two hours. Local buses run approximately between 6.00 - 23.00. There are also few night connections. The ticket for the night buses is 1€ more expensive.
